Product Sourcing

Please let us know your furniture, fixtures, and equipment (FF&E) specs. We provide furniture sourcing service, including the scope of feasibility studies, procurement, delivery, and installation. Optionally, you can select the existing goods from our online store, showroom, or catalogue.

Payment

Credit term is 30 days upon the issuing date of Purchase Order (PO) or the delivery date depending on client's payment policy.

Manufacturing

With a strong relationship with suppliers overseas, Decorature serves the best deal and the best product to our clients.

Shipping Arrangement

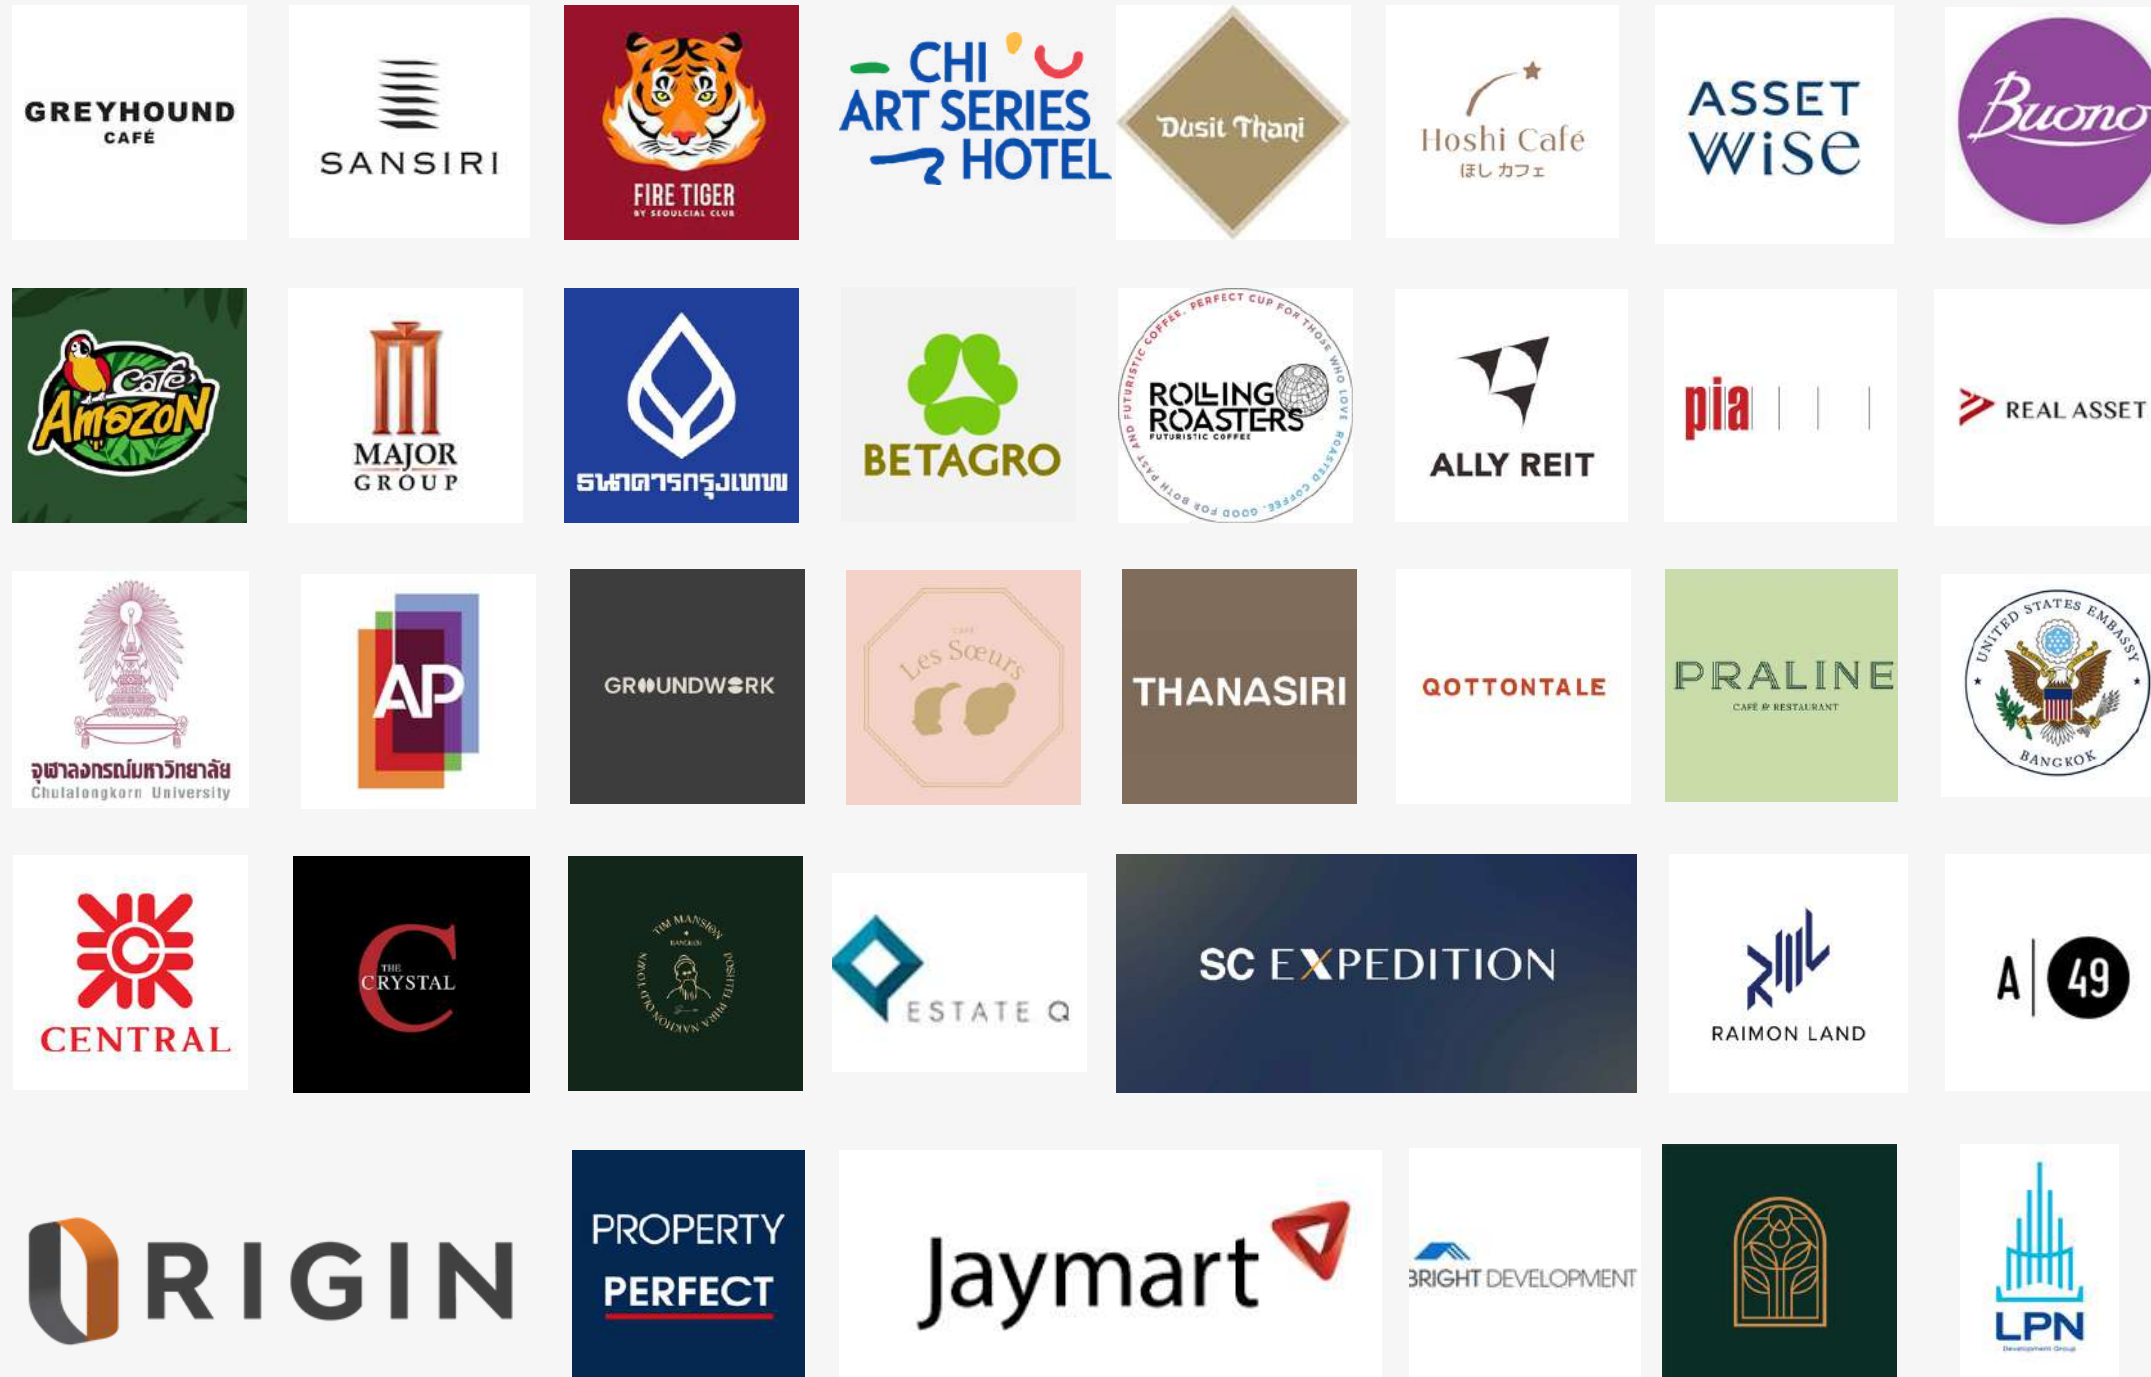

With an expertise in logistic market in Thailand and overseas, our distribution team finds the most cost-effective shipping option to clients. The orders are expected to be delivered within 25 to 35 days.

Warranty

Every orders come with a standard warranty that lasts for six months. This warranty covers manufacturing defects, such as problems with the frame or stitching.

X

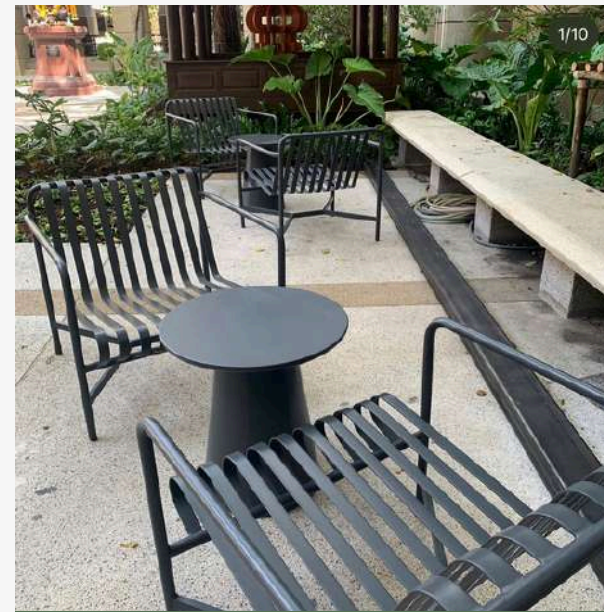

Our company is dedicated to serving over 100 customers across various sectors throughout Thailand, demonstrating our versatile expertise and commitment to excellence. Whether in retail, manufacturing, real estate, food & beverage, education, or finance, we tailor our solutions to meet the distinct needs of each industry, ensuring high-quality service and impactful results.
